**Subject:** Re: Seeking agenda items for September Cruise Ship Committee meeting.

Hi Jeff:

Please see below from Todd Gabe. I got this update from Todd last week.

Hi Amy,

It's going great.

We have distributed about 2,000 surveys... and it looks like we're around a 50 percent response rate.

We've covered passengers from the larger (Veendam, Rotterdam and Grandeur of the Seas) and smaller (Independence) ships.

We plan to distribute surveys tomorrow (American Glory), Friday (Veendam), Saturday (Grande Caribe) and Sunday (Independence and Veendam). Then we'll be back in September...

The passengers, crew and everyone in Bar Harbor (e.g., Mike at Harbor Place, the harbor master staff, etc.) have been very helpful and friendly.

Todd

hi Todd:

I hope all is going well. I am wondering how you are doing with the survey to date? Do you need any assistance with any thing?

Let me know!

Best,  
Amy

### TOWN OF BAR HARBOR PLANNING DEPARTMENT REQUEST FOR PROPOSALS AND QUALIFICATIONS COTTAGE STREET STREETScape PROJECT

**To: Qualified Engineering and Landscape Architect Designers**

**Re: Bar Harbor, Maine - Cottage Street Streetscape Plan – Conceptual Design Cost Estimate**

**Date: August 26, 2016**

**Request for Qualifications and Proposals:** The Town of Bar Harbor, Maine is seeking qualified parties to develop streetscape designs for the full 0.5 mile length of Cottage Street and produce construction cost estimates. Firms wishing to submit qualifications, recent design work and proposal of services must do so by 5 pm Friday, September 16, 2016.

**Description of the Project:** The purpose of the project is to develop a design that enhances Cottage Street's streetscape by improving its aesthetic values, retail viability, pedestrian capacity and safety as well as serving parking needs. The project is to create conceptual design drawings and cost estimates that include some design alternatives. The intent is to create conceptual drawings on which linear costs are estimated (not to create engineering plans). The project would include: Initial meeting with the Town staff and officials and Key Stakeholders; Site Reconnaissance; Inventory and Analysis Plans; Initial Concept Plans; Business and Stakeholders Meeting; Public Presentation; Revised Concepts and a Final Public Presentation.

**Budget:** The budget for the proposed project is \$25,000.00.

**Timeframe:** The desired start of the project is to hold a stakeholder meeting in September/early October with Cottage Street affected stakeholders.

**Deliverables:** Initial meeting with stakeholders and town officials. Site reconnaissance by visual inventory, inspection and measurement as well as utilization of available GIS aerial photography and assessor's mapping. Inventory and analysis plans. Initial conceptual plans. Business and stakeholder meeting. Public presentation. Revised concept plan and cost estimates in paper and electronic form. Public presentation.

**Available resources:** The Town of Bar Harbor has available GIS mapping, 2014 aerial photography and the 2001 Downtown Masterplan and Design Guidelines document.

**Contact person:** A packet of materials is available from Bob Osborne, Planning Director. 93 Cottage Street, Bar Harbor, ME 04609. Email at: [planner@barharbormaine.gov](mailto:planner@barharbormaine.gov). Phone is: 207-288-3329.

Eben,  
  
I do not disagree that the long-standing practice is normal business hours and that many of the members participation is a work related interest. I also recognize that some members travel long distances to attend. Nevertheless, it would not be a bad thing to create some public record that states why the committee meetings are held at a certain day and time and that the committee attempted to consider the needs of all of its members.

I think the committee has a long-standing practice of meeting during normal business hours and many of the members attribute their participation to a work related interest. Also we have several members that travel 2-3 hours to attend and their contributions are pretty valuable to our work. I this we can leave it as is.

Eben,  
  
Chris Maller indicates that he would prefer evening meetings for Cruise Ship Committee (possibly Mondays). I told him the Committee could discuss it. Do you mind if we add the question to the agenda?

Thanks,

Bob Osborne

Thanks for your thought.

It would be wise if the clerk who takes the applications for various committees would let people know when the meeting are.

It seems that retired people and those of independent means are those mostly likely to be able to attend these committee meetings.

I have served on two other committees in the past and they have met after business hours.

So, this is may be viewed as an unintended selection process to a narrow strata of the citizenry.

Mondays nights seem wide open as a suggestion.

Thanks for your time and effort on this matter.

Chris,

Thanks for your quick response. I realize that a midday meeting has its challenges. I would be happy to agenda a discussion of meeting times to accommodate your concerns. If we put our heads together we might find a schedule that could work for everyone and I am willing to work on that.

I would note that the Cruise Ship Committee has met during the day for (at least) the past 15 months. I think the challenge is to find times that the Council Chambers are available and times work for attendees as well. (The Council chambers are busy a number of evenings: Town Council meets on the first and third Tuesday of the month at 7:00 pm. Planning Board meets on the first and third Wednesday of the month at 4:00 or 6:00 pm. Design Review Board meets on the second and fourth Thursday of the month at 6:00 pm. You get the idea). I am also aware that evening meetings would be a challenge for Amy Powers (Cruise Maine) travelling from Windham.

Respectfully,

Bob Osborne,  
Planning Director
