David Wihry and Margaret, an intern, from the UMaine Center on Aging colleague provided invaluable information both verbally and in hard copy format on how to create and conduct Focus Groups. There was a great deal of positive discussion among the group for this next step.

When it came time for the election of the officers, Ms. Willett announced that she would be stepping down as Chair and asked if anyone present was interested in taking on this roll. No one came forth and therefore the election will take place at the next scheduled meeting on Wednesday, September 19, 2018.
