

# Town of Bar Harbor: Covid Update

---

June 19, 2020 / 4 pm / Town Manager's Office

The Town of Bar Harbor expects residents and visitors alike to abide by CDC and State recommendations for mask wearing, social distancing, quarantine, isolation, and handwashing. Abiding by these recommendations will help protect our island community.

## Governor Mills announced some alternatives to quarantine for Maine:

- Residents of New Hampshire and Vermont may come to Maine without quarantine effective June 12th.
- Beginning June 26th, Maine can welcome all visitors who provide a recent negative covid test, in place of the 14 day quarantine.

The Governor's order requires Maine people to wear cloth face coverings in public places where physical distancing is difficult to maintain, as recommended by the US CDC.

Maine currently requires all visitors and returning residents to quarantine for 14 days through June 26th.
