

Town of Bar Harbor: Covid Update

July 17, 2020 / 4 pm / Town Manager's Office

PLEASE WEAR A MASK

The Town of Bar Harbor expects residents and visitors alike to abide by CDC and State recommendations for mask wearing, social distancing, quarantine, isolation, and handwashing. Abiding by these recommendations will help protect our island community.

Maine can welcome all visitors from VT, NH, NJ, NY, CT without test or quarantine, and all others who provide a recent negative covid test or who quarantine for 14 days.

The Governor's mandate requires Maine people to wear cloth face coverings in public places where physical distancing is difficult to maintain, as recommended by the US CDC.

Below is the detailed wording of the Governor's order:

This Order strengthens Executive Orders 49 and 55 FY 19/20 by providing the following:

- "Cloth face coverings" or "face coverings" shall be construed to include disposable face coverings of similar quality as well as face shields, provided that such face shield extends below the chin and covers the ears.
- Retail stores with over 50,000 square feet of shopping space (as defined in Executive Order 28-A-2 FY 19/20), eating establishments, bars, tasting rooms, and lodging operations and accommodations (as defined in Executive Order 57 FY19/20) located in the Counties of Cumberland, Hancock, Knox, Lincoln, Sagadahoc, Waldo and York, or in the Municipalities of Auburn, Augusta, Bangor, Brewer, and Lewiston shall implement measures requiring customers to wear face coverings. Such measures may, for example, include denial of entry or service. The establishment's responsibility under this section is in addition to compliance with all applicable Executive Orders, State of Maine guidance and the Restarting Maine's Economy COVID-19 Prevention Checklists, including the use of signage stating that face coverings are required.

II. ADDITIONAL ENFORCEMENT

- This Order may also be enforced by any governmental department or official that regulates licenses, permits or otherwise authorizes the operation or occupancy of eating establishments, bars or tasting rooms, lodging operations and accommodations, businesses, buildings, parks and campgrounds. Municipalities are

authorized to enforce the use of face coverings on streets and sidewalks, in parks and other public spaces where individuals are gathering and not able to maintain at least six feet of physical distance from one another, and to enforce the gathering limits. A violation of this Order may be construed to be a violation of any such license, permit and other authorization to which pertinent penalties may be assessed. Pursuant to 37-B M.R.S.A. section 786, this Order may also be enforced by law enforcement as necessary.
