Questions to think about going into the meeting:

1. After reviewing the draft plan, which parts do you think are most important for improving safety in Bar Harbor?
2. Are there any recommendations or strategies in the draft plan that you disagree with or have concerns about? If so, please explain.
3. Is there anything you feel is missing from the draft plan that should be included to make Bar Harbor's streets safer?
4. What do you envision your role could be to assist the community of Bar Harbor with its goals of improving safety on the roadways?
5. Bar Harbor five years from now, after the Safety Action Plan has been put into action. What changes or improvements would you hope to see in your daily experience getting around town?
