A. Dog Park Proposed Site at Athletic Field: Information / Opinion Gathering.

Public Comment: Discussion occurred. Concerns: too close to park. Neighbors. Children. Not-underutilized, green space, future potential. Not big enough. Parking concerns. Deed restrictions. Proponents - need dog park. Area not used. Used for transients now. Many dog owners in town. Who would be responsible for cleaning and managing. Proponents: parking will always be a problem. Opponents parking will be a problem. Have little long pond for off leash and the park. 1 acre not big enough.
