

Town of Bar Harbor: Covid Update

April 24, 2020 / 4 pm / Town Manager's Office

The Town of Bar Harbor expects residents and visitors alike to abide by CDC and State recommendations for social distancing, quarantine, isolation, and handwashing. Abiding by these recommendations will help protect our island community.

“While we all dream of going back to the way things were, we have to face the hard truth that the coronavirus continues to be a threat and that life will not return to normal soon. Instead, we have to invent a new normal – a different way of doing business, shopping, traveling, and recreating that keeps all of us safe. In the coming weeks, my Administration will continue to assess the impact of the coronavirus in Maine and engage with various sectors of the Maine economy to determine how they can safely reopen at the right time in the right way. This will be a gradual process to protect the health of Maine people while restarting our economy.”

-Governor Janet Mills on April 23, 2020
