pearance of Historic Building

Installation or Changes in  
fences and freestanding walls

Seasonal Closure

Construction of New Building  
or Expansion of Nonhistoric  
Building

Installation or Changes in  
Sign or Awning

- The purpose of design review is to provide for the regulation of building and site design within designated areas of the Town of Bar Harbor as proposed in the Town's adopted Comprehensive Plan.
- If the applicant for the project is not the building owner, the applicant must submit a Letter of Authorization from the property owner which states the applicant is approved to seek permits for the project.
- **Applicant shall submit 10 copies of the application and \$28.00 or review fees.**

**PLEASE BE ADVISED:** A building permit must be obtained prior to the installation of DRB or CEO approved signage. Contact the Code Enforcement Office with any questions regarding the building permit process at (207) 288-3329

Design Review Board  
Required Application Materials  
Section 125-114**

**Detailed Project Description:**

---

---

---

---

---

**CLOSURE: [ ] SEASONAL [ ] OPEN YEAR ROUND**

**A complete application to the Design Review Board shall contain the following information:**

Submittals Required	Provided
Color photographs or photo simulations of the existing building or site showing all façades to be altered as seen from a public street.	
Color photographs or photo simulations of the buildings adjacent to the subject property.	
A site plan drawn to scale and meeting the requirements of Section 125-66 and showing the location of the building on the lot all site improvements, and the relationship of the proposed building to adjacent buildings.	
Detailed building plans drawn to scale showing the exterior of any new building or addition including elevation drawings of all façades that can be seen from a public street together with plans for all portions of the exterior of any existing building seen from a public street that are proposed to be modified. The drawings shall provide information on the various building details covered in the standards, such as roofing materials, siding, windows, doorways, detailing and trim, etc.	
Details of all exterior materials, including type, color, and composition. Paint chips or product samples shall be provided for each proposed use.	
Details on the design, color, and location of lighting fixtures together with information on proposed lighting levels shall be provided for new exterior lighting or changes in exterior lighting seen from a public street.	
A pictorial exhibit showing the neighboring buildings within the block face identifying the existing patterns and relationships, including setbacks from the street, building heights, building scales, front façade proportions, window proportions, building spacing, and materials.	
<p><b>NOTE:</b>  <b>Applications are due seven days in advance of the next regularly scheduled Design Review Board meeting.</b>  <b>Applicants are strongly encouraged to hold a pre-application meeting with Planning or Code Enforcement staff.</b></p>
