**Article XX LAND USE ORDINANCE AMENDMENT - Campgrounds and Private Campsites –** Shall an ordinance, dated January 7, 2026, and entitled “**An amendment to definitions and standards for Campgrounds and Private Campsites**” be enacted?

---

SUMMARY

The amendment would standardize campground and camping-related definitions to clarify terminology and allowed uses across all zoning districts. It would expressly identify Individual Private Campsite as an allowed use in certain districts listed in Article III. Standards for Individual Private Campsites would be consolidated into a single section of the Land Use Ordinance to facilitate consistent application town-wide.

GENERAL EXPLANATION

This amendment would:

1. Establish a single definition of **Campground** applicable to all zoning districts, eliminating the distinction between shoreland and non-shoreland districts.
2. Amend the Campgrounds section of the Standards for Particular Uses, Structures or Activities §125-69C to remove the shoreland requirement because Campgrounds are not allowed in any shoreland districts.
3. Revise the definition of **Recreational Vehicle** and add new definitions for **Camping, Campsite, and Camping Unit**.
4. Delete the term Private Campsite and replace it with Individual Private Campsite.
5. Expressly allow Individual Private Campsite as a principal use in certain districts and, therefore, remove its allowance as an accessory use in all districts.
6. Add Individual Private Campsite as an allowed use in the following districts: Hulls Cove Business; Hulls Cove Rural; Indian Point Residential; Indian Point Rural; McFarland Hill Residential; McFarland Hill Rural; Otter Creek; Salisbury Cove Residential; Salisbury Cove Rural; Town Hill Business; Town Hill Residential Corridor; Town Hill Residential; and Town Hill Rural.
7. **Relocate the Private Campsite standards from the Shoreland Standards** section §125-68B(22) to the Standards for Particular Uses, Structures or Activities, as section §125-69D, Individual Private Campsite.

Private Campsite is an existing allowed use in all shoreland districts, per the Shoreland standards, §125-68B(22). However, Private Campsite is not listed in Article III, Land Use Activities and Standards, as an allowed use for individual shoreland districts, where allowed uses for all other districts are listed. Relocating the Private Campsite standards from §125-68B(22) to §125-69D would prohibit this use in all shoreland districts unless listed as an allowed use in Article III. To preserve the allowed use of Private Campsite—proposed to be renamed Individual Private Campsite—in certain shoreland districts, this amendment would:

- A. Add Individual Private Campsite to the list of allowed uses in Article III in the following shoreland districts: Shoreland Limited Residential; Shoreland General Development II (Hulls Cove); Shoreland General Development III; and Shoreland General Development IV.
- B. Exclude **Individual Private Campsite from the list of allowed uses in Article III, thus prohibiting them**, in the following shoreland districts: Resource Protection; Shoreland General Development I; Shoreland Maritime Activities; Stream Protection; and Marine Research.
